Re: *United States v. Joseph Lewis*, 22 Cr. 0686

Dear Judge Román,

The Government respectfully requests a brief adjournment in the above-referenced matter from the currently scheduled appearance date of January 5, 2023, at 12:00 p.m. until January 20, 2023, at 2:30 p.m. The Government also requests an exclusion of time for the same period pursuant to 18 U.S.C. § 3161(h).

On January 3, 2023, the undersigned spoke with Nicholas Dayan, counsel for the defendant. Mr. Dayan stated that he has a previously scheduled suppression motion before another court on January 5 that could not be moved. The parties have agreed to a brief adjournment and understand that the Court is available at the above-requested time. In order to ensure that the defense has representation at this and every stage of the proceeding, the Government asserts that the ends of justice served by the granting of the continuance requested outweigh the interests of the public and defendant in a speedy trial.

Very truly yours,

DAMIAN WILLIAMS
United States Attorney
